

## **Applied Weighing AW314/30000 - 30000kg Capacity Safemount II Load Cell Only**

**Part Number: AW314/30000**

### **Description**

Applied Weighing's Safemount II range is the industry standard for Vessel, Tank and Hopper Weighing. The unique design ensures simple installation with accurate, repeatable weighing. Applied Weighing Part Ref: AW314/30000

<b>Part Number:</b>	AW314/30000
<b>Manufacturer:</b>	Applied Weighing
<b>Product Type:</b>	Safemount II Range
<b>Body Material:</b>	Stainless Steel
<b>Load Cell Type:</b>	Load Cell Only
<b>Full Scale Output:</b>	2mV/V Nom
<b>Capacity:</b>	30000kg
